### 2017 CPA Class

This year's class is fantastic. Ten out of twelve graduates have joined the Association. More importantly, many have volunteered to work on various projects. If any member is interested in helping out, the following UCCPAAA projects could always use volunteers. Contact a Board member or project coordinator for information or to volunteer.

### **NNO Kickoff Publicity**

Dan Hancock made a motion to consider the purchase of a street banner as publicity for the NNO Kickoff.

Discussion followed. Some members expressed concern about the cost since it would cost over half of the \$1000 budgeted for NNO. Others were concerned about the future direction the city will take on NNO and the NNO Kick Off event. Several members had alternate suggestions.

They were:

- Writing a letter to the chief asking his future intentions concerning NNO Kickoff

- Using the city-wide calling system as publicity

- Using Facebook for publicity

- Talking to city representatives for suggestions

Harry will talk to the Chief about the future of the Kickoff.

The motion to consider was passed. Information on the future of NNO events and the costs for a banner will be explored and presented at next month's meeting.

### **Other New Business**

There was no other new business.

### **Police Report – Det. Dan Carmona**
